

Pre-Owned Boat Limited Warranty Policy

The following limited warranty program covers all pre-owned boats owned and sold by Cape Yachts. Any boat sold as a brokerage or consignment boat (i.e. not owned by Cape Yachts) is not covered under this program.

The following items are covered by our 100% parts and labor guarantee for 30 days from delivery of the boat. Warranty service is performed at our South Wharf Yacht Yard or an agreed upon local marina with prior written authorization from CY.

- Engine and drive assembly, including powerhead, carburetor, distributor, manifolds, risers, starter, alternator, fuel pump, flywheel, transmission, bellhousing, gimball housing, outdrive upper and lower, gearcase.
- Engine control unit including shift and throttle cables and steering system.
- Ignition switch, bilge pump, bilge blower, navigational lights and horn.
- Auxiliary power generator and/or inverter.

The following items will be inspected, tested and fully functional on the day of delivery but will not carry a warranty beyond the delivery date:

- Miscellaneous electrical items such as water pumps, macerator, heads, windshield wipers, stereo, TV, VCR, Dvd, lights anchor windlass, trim tabs, thrusters, depth finder, radar, VHF, fish finder, autopilot, GPS, spotlight, refrigerator, icemaker, microwave, stove, instruments/gauges, switches, battery charger, shore power, outlets, and any other non-propulsion items.
- Air conditioning and heat systems.
- Structural integrity of the hull and stringer system.
- Standing and running rigging, sails, furling systems, stanchions and gates.
- Trailer and all of it's components including: lights and wiring, brakes, axles, springs, bearings, tires, wheels, rollers, bunks, dolly jack, winch (electric or manual), and winch cable or strap.

The following items carry no guarantee of condition or warranty and are sold "as is":

- Exterior upholstery, canvas, bimini top, enclosures, zippers, seats, carpets, drapes, bedding and headliner.
- Hull stripes, gelcoat and fiberglass finish; including chips, scrapes and cracking.
- All rails, doors, windows, portholes, hinges, hatches, fittings, outriggers, fishing equipment, platforms ladders, bow pulpits, anchor rollers and any other non-propulsion items.

Any mechanical issue that is a direct result of water in or contamination of the fuel system will not be considered warranty ad will not be covered under this program.
